Let's gather as many items as possible so that our courageous warriors can be a little more connected to home!

We live in the greatest country in the world! Our freedom and way of life are defended by courageous men and women of the United States Armed Forces who sacrifice everything for all of us. Some are deployed for months and in some cases, years in places that have no resemblance to home. Have you ever wanted to give back to those who give so much? Perhaps to a platoon of soldiers in Afghanistan or Saudi Arabia?

Here's your chance - Leahy's Fuels is teaming up with Adopt A US Soldier to benefit their Project Frontlines. We've adopted 2 platoons of soldiers who are stationed in Afghanistan and Saudi Arabia.

Adopt A U.S. Soldier is a non-profit organization that supports America's bravest by connecting them with supportive civilians. Your support and encouragement can be shown by donating non-perishable food or drinks, health and hygiene items, books and pens, or even a handwritten letter of thanks. For a complete listing of items please visit this link: [http://www.adoptaussoldier.org/index.php/site/comments/what should i send to my soldier/](http://www.adoptaussoldier.org/index.php/site/comments/what%20should%20i%20send%20to%20my%20soldier/)

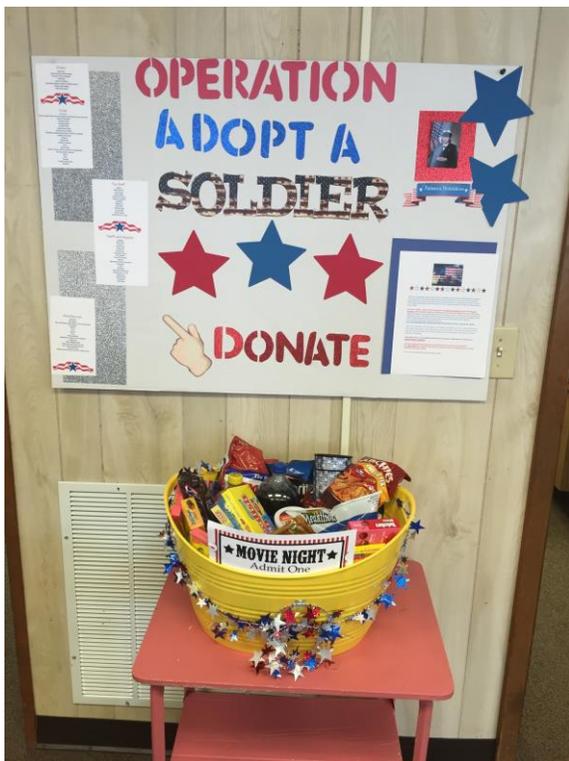

Here's the kicker—Your donations will directly benefit one of our own! Rebecca Hotchkiss, daughter of our very own Jaime Hotchkiss, is bravely serving with the platoon we've adopted in Saudi Arabia so your donations will have an even greater meaning!

And another bonus - Every person who donates will receive a raffle ticket for a chance win a MOVIE NIGHT BASKET!
